MATCH RESULT - Bedfordshire won by 4 $\frac{1}{2}$ to 3 $\frac{1}{2}$

This was a really close fought match with Bedfordshire having to fight really hard in all of the matches, the strength of the top 4 players shone through with only half a point being lost in these games. Things did not look so bright in the last four matches when the strength in depth of the Cambridgeshire team gave them the advantage and it looked like Cambridgeshire were going to edge the contest. When all looked lost Sam Flannery playing in his first match in this age group showed the fighting spirit to win the last 3 holes to give Bedfordshire an unlikely win.
